📄 **Finance Department Policy Document**

🏢 **Company Finance Policies & Procedures**

💰 1. Budget Approval Policy

All departments must adhere to the following budget rules:

- Any expense **below $1000** can be approved by department managers.
- Expenses between **$1000 and $5000** require **Finance Department approval**.
- Any expense **above $5000** requires **CFO approval**.

⚠️ No department is allowed to exceed the allocated budget without proper approval.

📊 2. Expense Reimbursement Policy

Employees can claim reimbursements under the following conditions:

- Valid receipts must be submitted within **30 days**.
- Travel expenses must be pre-approved.
- Maximum reimbursement per month:
  - Employees: $2000
  - Managers: $5000

🧾 3. Invoice Processing Rules

- All invoices must include:
  - Vendor name
  - Invoice number
  - Date
- Payment cycle:
  - Standard: **30 days**
  - Priority vendors: **15 days**

Late submissions will delay payment processing.

🏦 4. Financial Reporting

The finance team must prepare reports:

- Monthly financial report
- Quarterly audit report
- Annual financial statement

Reports must include:

- Revenue
- Expenses
- Profit/Loss

🔐 5. Access Control (STRICT)

- Only **Finance team members** can access financial reports.
- HR, Marketing, and Employees **cannot view financial data**.
- Unauthorized access attempts will be logged and monitored.

📈 6. Key Financial Metrics

The following metrics are used:

- Net Profit Margin
- Operating Cost Ratio
- Revenue Growth Rate
- Cash Flow

⚠️ 7. Compliance Rules

Failure to follow financial policies may result in:

- Budget suspension
- Internal audit
- Disciplinary action
